

**North Carolina Directors of Nursing Administration  
Long Term Care, Incorporated  
2025 Annual Conference & Trade Show**

**PRIZE FORM**

Please complete the following information for the prize drawing to be held during the Exhibit and Trade show on Friday, September 12th during the Vendor Finale. Drawings are to be held at your booth, complete this form and give it to the NCDONA vendor liaison at the vendor registration table near the trade show entrance. Each prize winner will be announced. Participants must be present to win. If the winner is not available, the vendor will be notified, and another name must be selected.

Winners will be told to report to your booth to claim their prize.

Thank you for your participation in our vendor prize give-a-ways! Our attendees always look forward to this part of the trade show.

## **GENERAL INFORMATION**

*The North Carolina Directors of Nursing Administration in Long Term Care welcome all our exhibitors and sponsors for this, our 2025 Trade Show. Our association is pleased that your company has chosen to be a part of our annual trade show, and we truly appreciate your support. With a Wizard of Oz theme, we celebrate all the places ruby slippers can take you in long-term care! There is a big world out there awaiting so many health care professionals including you, our vendors!*

*All questions regarding our 2025 Trade show procedures, space assignments, and exhibitor registration should be directed to NCDONA LTC staff at the vendor registration table. Questions regarding decorating and additional services such as set-up and dismantling, labor, cleaning, or extra tables should be directed to the Vendor Liaison or the assistant. Convention Makers is the provider we are using (843-650-6300). Please do not ship directly to the hotel. Contact convention makers for details of where to ship. There will be hotel staff available to assist as well.*

*NCDONA LTC Vendor Liaison for this trade show is Julie Stafford. Please see Julie if you have any questions.*

## **EXHIBITOR INFORMATION**

*All exhibitors are required to wear name badges to allow entry into exhibit hall, including setup and dismantling. If you need additional badges, you must see the Vendor Liaison, as there is a limit to the number of representatives based on sponsorship level. Non-exhibiting representatives are not allowed in the vendor trade show area. Please adhere to these guidelines. Children under the age of 18 are not to be in the Vendor area during the Trade show.*

## **DISMANTLING BOOTHs**

*Displays may be dismantled at the conclusion of day two of the trade show, September 12th. The trade show is scheduled to end at approximately 10:30am (subject to change). Dismantling must be completed immediately following the event. Please do not begin dismantling prior to the trade show ending. Thank you in advance!*

## **SECURITY SERVICE**

*Security is provided around the clock by NCDONA and the Hilton staff to promote secure and orderly use of the facilities. We will have a security guard while we are in the exhibit hall with you during set up and dismantling, as well as during the exhibits. The hotel will ensure that the exhibit hall is locked securely when the exhibit hall is not being used by our organization. You will not be able to access our vendor area when our vendor liaisons are not there.*

- Prize forms are found inside this packet. We are asking all vendors, if possible, provide at least one prize for the “Vendor Finale” on Friday, Sept 12, 2024.
- Decorate for theme: “**Where will your Ruby Slippers take you?**”
- You are invited to join NCDONA members by the pool to meet, greet and network on **Wednesday @ 6pm**. This was a favorite of vendors & attendees. This gives vendors at least three different days of contact with attendees.
- If you have representatives that are attending the conference sessions complimentary as part of the sponsorship package they still need to register for the conference as if they are a regular attendee. When it comes to the payment section simply add the name of their company and the sponsorship level.

### **ATTENDEE LIST**

*A preliminary attendee list will be available upon request in the two weeks prior to the conference and a final list in the week after the conference ends. Please see vendor liaison for your copy.*
